to the editor *One Night Only!*

I never expected to lose my virginity to a total stranger, I always thought it would be with someone I'd been dating for years, maybe at college or something, but it happened last weekend. My girlfriend Kerry took me out to this rave at some weird campground in Pensacola, we had to drive for three freaking hours to get there but, man, it was worth it!

The rave was hot, the music was so loud and infectious, right away Kerry and I were stripped down to our bras dancing real close! Suddenly, it seemed like there were so many hot guys staring at us. I couldn't stop looking at this one guy, I was stoked when he came behind me and started dancing.

He told me that his name was Josh, then wrapped his arms around my waist and started moving against me. I could feel that he was hard and I started to tingle. I knew that something good, (or should that be bad?) was going to happen. Josh asked me to come for a walk and we went over to the beach.

There were plenty of people all over the dunes, we walked away to get some privacy but when we lay down I could hear other people sighing and making out. We kissed and I felt my pussy gush. Josh put my hand on his crotch and I felt his hard dick. It felt

14186

really big and I pulled my hand away but Josh said, "Its okay baby," and put my hand inside his pants. His dick was hot, when I wrapped my hand him around it pulsed.

Josh pulled down my jeans and panties, then he went down and licked my pussy. It felt so freaking good, I cried out really loud and didn't stop 'til Josh raised his head and kissed me. I tasted myself on him. Josh pulled down his pants and got on top of me, he spread my legs wide and I whispered that I'd never done it before. 'Wow,' Josh said and smiled wide, "I'll be gentle."

His dick nudged against my hole and he slowly pressed it in to me. I held my breath until it was buried inside, filling my tight hole, spreading me wide. I clung to Josh as he rocked in and out of me, my pussy on fire, feeling so freaking good. "You like that?" he asked. All I could say was, "Uh huh," then cry out some more.

Josh pulled out and told me to get on my hands and knees, that he was going to fuck me doggystyle. As he slipped it inside me again, I realized that it felt even more amazing that way, that I wouldn't stop wanting this all the time. Josh sped up, pushing in harder and harder. That's when I had my first orgasm, just then, with him grinding in to my tight pussy, crying out in to the night.

He grunted and pulled out, I felt hot wet stuff fly on to my back. We lay there looking at the stars for an hour then went back to the rave, I found Kerry, but lost Josh. The biggest relationship of my life so far only lasted one night, but I'll never forget it.

I was so scared to do this shoot! I mean, I've never even been naked for my boyfriend, let alone done it in front of about a bazillion guys. Plus the photographer — who was way sweet! — was asking me to do all these slutty things, like stick my finger in my pussy and spread open my butthole really wide. At first I didn't wanna do it — I mean eww! — but you know what? After awhile I was kinda getting into it, like I started getting off knowing that guys were gonna get way horny just looking at me. So, you totally won't believe this, but I even diddled myself until I came while the camera-man took pics! Man, it was totally wild!

This girl was all innocent at first, but the camera turned her into a little slut!

Well,
I guess Brea's
boyfriend will
get to see her
naked now,
won't he?!

This girl
is definitely
ready to do it,
just look at
that "come
fuck me"
pussy!

Caroline

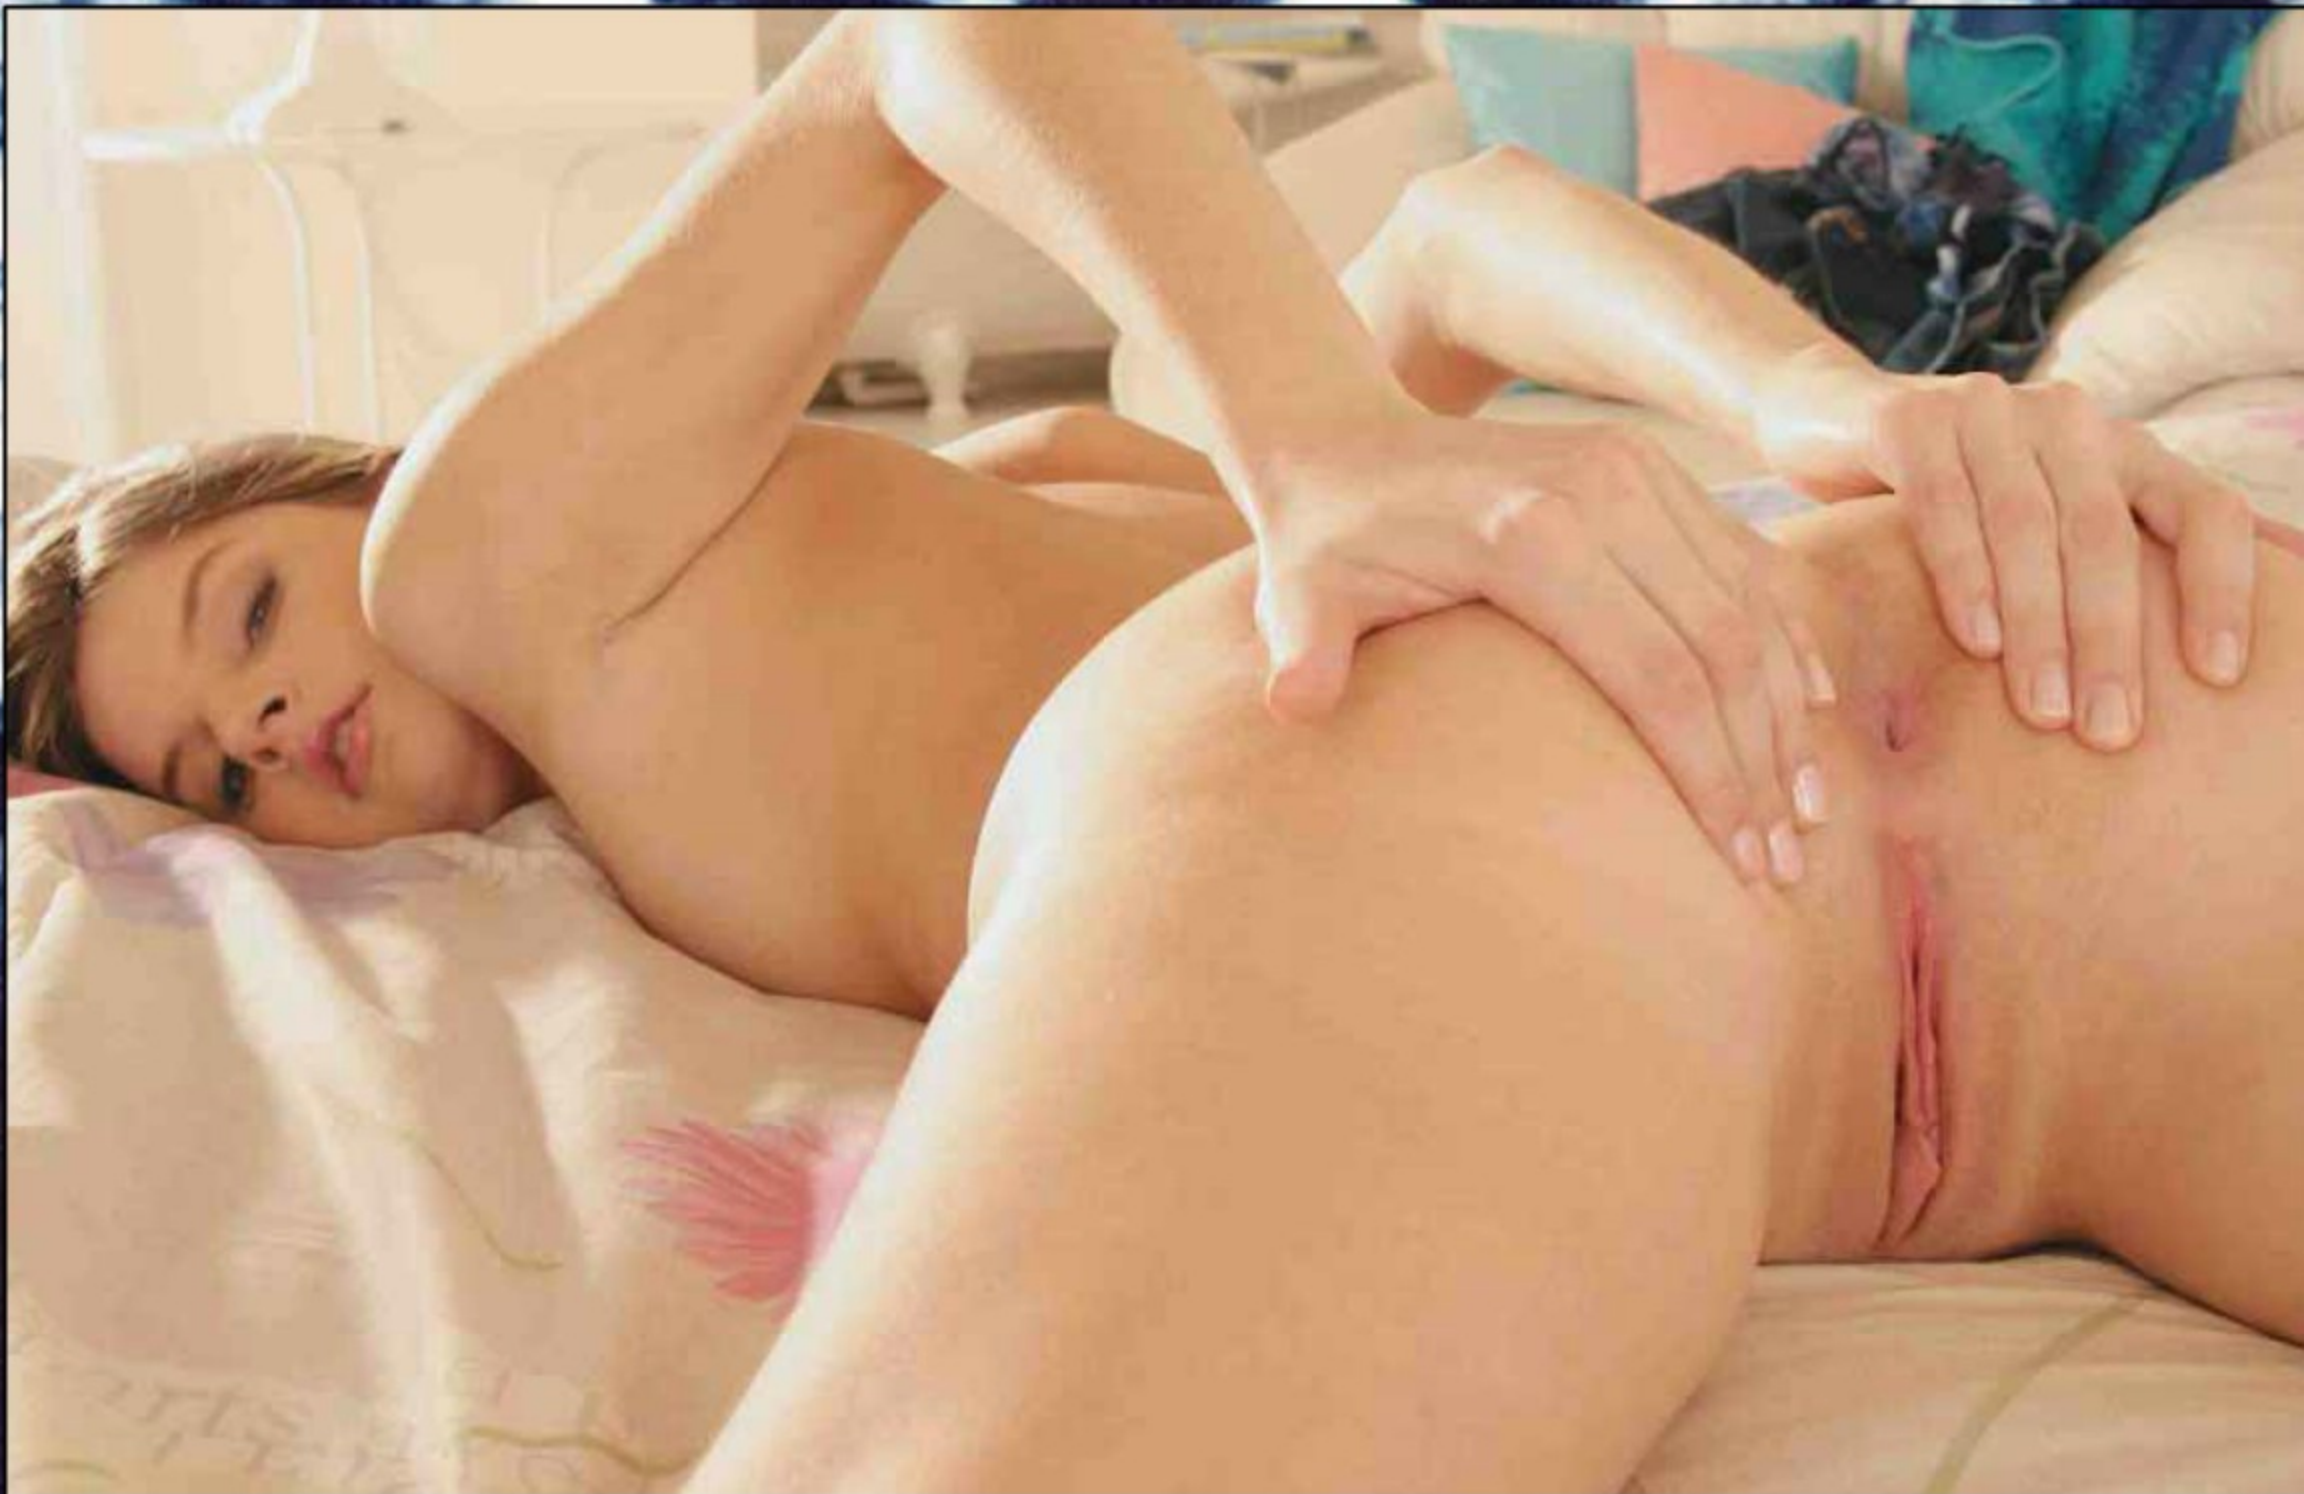

This is totally pathetic, but I'm almost 19 and I've only been kissed once by some lame guy that I didn't even like! Even worse, I'm totally ready to have sex, but I don't have a boyfriend who'll do it! There is this guy next door to my mom's house, and he's totally hot but he's, like, 10 years older than me and I'm sure he thinks I'm a total dweeb—mainly because every time I see him I get all stupid and tongue tied! I mean, why would he like a dumb teenager like me? But still, I think about him, and it makes me so hot that I gotta run in the house and do myself. See? I told you I was pathetic!

Girl, run
next door and
get that cherry
of yours popped
right this
instant!

Senior Scrapbook

by Hayley

He was like a sun-bronzed statue, a thin sheen of sweat coating his beautiful bare back. Vince was watering Mom's backyard roses in baggy shorts, the garden hose snaking over the lawn, the water pouring onto the roots in a quiet rush. I felt like drooling at his big bare feet.

Vince is my neighbor. Sorta more than a neighbor, really. My mom and Vince's dad go at it every chance they get. In fact, even with the patio door closed, I could hear Mom grunting in rhythm with the thumps of her headboard. Vince's dad was fucking her good and hard upstairs.

They live next door, Vince in a room above their garage. Before I'd left for college last fall, I used to watch the windows of his little love shack; almost every night Vince had some woman over. He and his dad have that in common, both regular lotharios.

I stepped off the patio into the cool grass. Because of the heat, I was in nothing but panties and a thin sundress, and still I was way too hot. Vince seemed oblivious to both me and the temperature. He just stood there in the blazing afternoon and glowed.

"They still at it?"

I toed the length of hose. "Yup."

"Pull it out for me, would you?"

The hose was at its limit so I straddled it and tugged out more from the spool attached to the house. Suddenly the thing whipped up and tapped me lightly on my twat. It didn't hurt; it was more like it took me by surprise.

Vince smiled, no more the god-like statue. I hate it when he smiles like he does. Makes me want to jump him. Not that I ever would. I'm worse than shy. I'm a big-time wimp. That's why I'm still a virgin, I guess. But I think about it. A lot.

I flipped my hair over a shoulder and tried to look miffed, the hose still strung between my long legs. Vince stepped closer and took up lengths of it while keeping hold of the gushing end. I sucked in a breath as the rubber slid up the inside of one of my thighs, hot as a brand.

OVERHEATED

"You've got great legs, neighbor."

He smiled a little broader.

I didn't know how to respond. I couldn't exactly say, "Thanks, I would love to spread them for you!" But that's what I was thinking.

He stepped even closer, pulled the hose up near my twat again, the dress edging up with it. The water streamed over my feet. It felt good. He kept looking me in the eye, like we were having a stare down or something. I had to try real hard not to look at his sweaty chest. Or rub myself up against him. Or reach down and cup him... there. I so wanted to do all of that!

Then the water cascaded down from my knee... then from my thigh. It still felt good but I knew he only wanted to get a reaction out of me. I called on every stubborn cell in my body not to give in first.

It hit my crotch. Soaked right through my cotton panties and most of the dress. I gritted my teeth.

"Thought you needed a cooling off." His stupid smile taunted again.

Then he just stepped away, went to turn off the water. I stood there, feeling ridiculous, the lower half of my dress sopping wet and glued to my thighs, my heart thundering.

Still the mute moron—that's me!—I watched him head back across the driveway towards his place. He was at the bottom of the stairs that led up to his room before he looked back.

"C'mon," he said and went up. Didn't even check if I would follow. My stomach did a whole lotta somersaults but I followed. I'm a wimp, like I said, but I'd been way too curious for way too long. And if I didn't go for it now, I'd probably be a virgin when I was eighty or something!

I'd always imagined his place plastered with posters of naked girls sprawled on hotrods or something. It wasn't. It was plain and almost empty except for a few chairs and a twin bed that looked exactly like mine from when I was a kid.

"Hey, you've got a bed just like I used to have!"

"It was your sister's. I broke mine so your mom lent me this one."

In his oven of a love nest, one measly fan blew the heat around. I stood beside the bed's footboard running my hand over the oblong shapes that crown the corner posts. Thinking. About what a guy does to break a bed. And remembering how last summer I'd tried to make use of these corner pieces, rubbing my clit over one of them. It had felt wonderful but I'd ended up more frustrated than ever.

"Interesting shape." He was watching me touch the bed. "Kinda like a short dildo."

I snatched my hand away and tried not to blush any deeper than I already had.

"Show me."

I choked on hot air. "What—?"

"You do use it, don't you? Show me how."

Just like that. I was supposed to lift up my damp dress and show him how I discovered my clit last year. "I'm not showing you diddly."

He examined my red-as-a-candy-apple face for a minute. "You're still a virgin."

He went straight for the buttons on his shorts. I couldn't believe it. They were pooled at his ankles and he was shoving his boxers down too before I had the brilliant idea of turning my back on him. I'm such a chicken!

"Ah, c'mon," he groaned. "You've been watching me forever. So take a good look. I'll even let you cop a good feel."

I shook my head fiercely. The tiny moment of bravery that had gotten me up here was quickly passing.

"Lit-tle vir-gin," he sang low in his throat as he came up behind

me. "You don't have to watch anymore."

I felt something on my butt. He was gently dragging his erection back and forth across my wet, cotton-clad buns. I imagined leaning way over so he could stick it in. Deep. God, this was killing me!

"Touch it." He took hold of one of my hands and led it behind my back, urged my fingers to curl around his cock. It was like a steel rod clothed in something soft as velvet. And so unlike what I'd thought it would be. He guided me up and down it, had me tug on it, pinch the ultra-soft tip, then glide my hand to the tender, squishy balls.

I kept my eyes closed the whole time. What I wanted I could never, ever ask for. Not in a million trillion years. But it was mind-blowing to be touching him.

"How 'bout I go lie down on the bed. And you come over and use me like you do that bedpost."

What an idea! I wanted to, more than anything. Especially with him.

The bedsprings squeaked. I pried open my eyes and peeked. He was flat out on the mattress with his feet still on the floor and his cock sticking straight up. Super hard. His hand wrapped around the base of it, fondled his balls.

"Use it any way you like. I'm just a bedpost."

Envisioning such a thing had me clenching muscles deep inside. I felt a distinctive liquid ooze from between my thighs.

"I won't take your cherry unless you want me to. Swear." He reached a finger up and passed it over the end of his dick, which had me thinking about my clit doing that. About my wet pussy drenching him.

Well, now or never! I snuck my panties down. Then I crawled onto the bed and straddled him, the damp hem of my dress covering just enough so he could-

n't really see me. But the fabric clung. He was looking at the way it molded to my tanned thighs while I hovered over him.

"I'll just hold it steady for you, ok?" He had that one hand gripping his cock while his other slid up one of my legs. I leaned forward, held onto his shoulders and descended.

It was so perfectly made, his cock. I slid my clit gently across the swollen cap, making myself tingle down to my toes. Sooo much better than a bedpost!

"Feels good, doesn't it?"

"Yeah," It felt glorious!

The hand on my thigh traveled. I leaned into his palm as he cupped my breast then toyed with the nipple through the fabric.

"Oh, my God," I breathed. "That's really nice."

"Very nice indeed," he murmured but I guess my trembling clit had my total attention because when his fingers peeled down the shoulder straps of my dress, I didn't notice until my breasts were dangling out in the open, completely bared.

He skimmed the sensitive undersides with long sweeping strokes of his fingers. It felt like they got bigger for him, the nipples aching hard. A few drops of sweat trickled down in the valley between them.

"Such beauties," he said and before I knew it he had pushed upright to lick up those trails of sweat then suckle like a baby. A baby with teeth and a naughty tongue, that is. I held his head to one tit, wishing he would just keep sucking on me forever.

Right about then he let go of his cock and both his hands started wandering. Bunching the dress around my waist. Squeezing the globes of my ass. Tracing the rim of my butthole with a finger. Dipping another finger into my pussy at the same time. I wanted him to touch me absolutely everywhere, inside and out.

"Do it," I whispered.

I reached down to guide his cock to the place I wanted him most. He lifted his head away from my tits, his eyes gleaming up at me while he

pushed a finger into my asshole. I wanted to faint or die or anything just to make this throbbing between my legs stop.

"Go on," I pleaded. "Stick it in."

His cock entered the barest inch as I pushed myself down on it. Then I moved it up to rub over my clit again and pushed it into me a second time. No further in. Just that small amount of penetration had all my nerves racing to cum all over him.

He smiled but didn't help me out. I felt a bit drunk with his finger poking further and further into my ass, his other hand now plucking my nipple, his cock teasing the entrance of my gooey pussy.

"Please ... put it in."

But he still wouldn't help. I pushed myself down on his cock again but I was so tight. It stretched my opening so much. And my clit kept itching for another rub, faster, just one more caress of his soft foreskin over and in and ...

Then I did it—came in a rolling rush of heat, juices dripping, muscles vibrating around him. I think I yowled like a cat in heat—so embarrassing!

"I'll stick it in now, darlin'." He flexed his hips and finally prodded further into me. "I'll drive it all the way."

"Yes, please!"

He flipped me onto my back and pushed my knees up to my chest, my tits squeezed between them. I lay there, spread wide, his cock suspended over my still-pulsing slit. I felt drops of my cum juice

Dick Sucking Champ!

Chrissy was the popular girl at school. She had long blonde hair, huge titties and a body to die for. The polar opposite of nerdy me with big glasses and no titties at all! She'd never had known I existed if we didn't work at the same grocery store at weekends.

Chrissy was always talking about sex. I was embarrassed, but fascinated. She'd done everything and I was so virginal and sweet. Chrissy thought it was awful that I was a virgin and said that she'd make it her personal mission to get my cherry popped before she left for college in the fall.

So that's how I found myself in the back seat of her car with Steve Nash, her boyfriend's best friend. Chrissy was sat astride her boyfriend, fucking his brains out and pretending not to watch Steve and me making out. Steve asked if I had ever given anyone a blowjob and I said no, glad the car was dark so he couldn't see me blush. Chrissy winked and I leapt out of the car, that was enough, I couldn't handle it.

Steve came after me and was really sweet. We sat on the grass next to the road and tried again, making out real nice. I relaxed and asked if I could try giving him that blowjob. Steve said sure and pulled out his dick. I put my head in his lap and took it in my mouth. Big and hot, it felt so big, I wondered how it would ever fit in my little cunny. I sucked it and Steve gently pushed my head down on it.

I tried all the techniques Chrissy had taught me when we were bored at work. I twirled my tongue around his head, that made a little salty drop ooze out, I was shocked but it tasted good so I wanted to make more. Steve moaned and groaned as I licked and sucked his dick, then he put my hand on his balls and told me to squeeze them. They were hard and hairy, I felt so rude, my cunny was dripping in to my panties.

Steve must have smelled it or something because then he put his hand up my skirt and inside my panties, "Mmm," he said, You feel nice and juicy." He slipped one of his big fingers inside me and I squeezed on it, I'd never had anything in there except my own fingers before. "Oh my," I said, but it came out all muffled. I sucked harder and faster, Steve worked his finger in and out, I know my pussy juice made a big mess on his hand!

Suddenly Steve's cock lurched in my mouth and he cursed, then he came all over my tongue, hot, salty and thick. I swallowed it all down because that's what Chrissy told me to do. I pulled my head up and Steve said I didn't suck dick like a virgin, and I felt proud. We went back to the car and watched the others finished. They dropped me home and Steve asked if he could take me out next week. I guess that's when I'll lose my cherry properly. I can't wait!

ANA

She may be only 18, but already Ana has perfected the fine art of fucking!

Do you want to know how many guys I've fucked? Four! And I'm totally not embarrassed by it! I mean, if a guy can fuck a million chicks, then I can do it with whoever I want to, right? And the guys I've screwed say I'm an awesome lay. I think that's because my pussy is so tight. I mean, I can't even get a dildo up it. I tried once with one of those tiny, little pink ones, but I could barely get the tip in! So, when a guy fucks me he has to go real slow and it takes forever for him to get his whole dick stuffed inside of me. But once he does, he's like, "Whoa, baby, this is awesome!"

Hopefully,
a million more
guys will get a
chance to experi-
ence her tight,
teen twat!

JENIFER

Jenifer's
such a tease! She
lets the boys look,
but she won't
let 'em touch!

Can you believe it, my lame ass principal booted me out of school for wearing this skirt!

Of course, before I left, a bunch of boys in my class told me that they love my ass, so there! And I know it's true, cause guys are always looking at me at the mall! I can totally tell that they want to do sex stuff with me. But I'm not really ready to do it with a real guy, so I do it with myself, like, all the time! Sometimes I even put stuff up my butt, and then I wonder what it would feel like to have a real dick up there. I know it's totally nasty, But it makes me so horny I cum really hard!

Mmm, would
you like to rub
your dick up that
crack and cum
really hard,
too?!

AMATEUR BEAVER HUNT

STARRING: Azalea Lee, D' Monica, Dakota Cameron, Loretta Scars, Michelle Maylene, Nicole Brazzle

DIRECTED BY: Will Rider

AVAILABLE FROM: Hustler Video

RUNNING TIME: 102 Minutes

At last an honest boxcover! These girls are "so young, so cute, so naked, so brand new and 100% fuckable" and each one was selected from actual naked photos sent to Hustler Magazine! Nicole Brazzle is our guide and the Tennessee native is an excellent choice to help these newbies spread for the camera.

Michelle Maylene may be an amateur, but it is in name only. This chick is a fucking professional. Or should I say a professional fucker. The heat emanating from her is very real and will definitely spike your thermostat at home. She is a brand new 18 year old and this is her first ever scene shot on video. After a brief interview, Michelle loses her sexy outfit and begins strumming her clit and playing with her pussy. Brett Rockman slips a finger into her pussy to get in on the digital action. Her pussy gets eaten for bit and it's speedily on to some cowgirl banging. Michelle is a natural on camera and I think you'll agree she has a future in this biz.

Watching her is like watching a star being born. Check out the ease at which she transitions from missionary to reverse cowgirl as if it were part of her sexual repertoire. When Rockman finally blasts a thick nut on the side of her face, Michelle very naturally uses his cock to clean up the mess and licks his rod clean of cum.

Dakota is a very sexy tanned blonde. Her scene with Chris Charming and Nicole Brazzle is really hot. You can tell Dakota was a bit uncomfortable, but it was all good. Don't miss Loretta's big scene. She gets fucked so hard and for so long that not even she could believe that she could fuck like that. Nicole joins the fun here too, getting involved a fun game of stack up the pussies.

D'Monica reminds me of another porn chick out there today. She not only looks like a porn star, this cock lover acts like one too! D'Monica goes crazy with a dildo and takes a cock as far down her throat as possible all in anticipation of getting her pussy slammed on film. Nicole joins in on the fun for a bit and then leaves. Showing off her porn cred, D'Monica is fucked in a piledriver position. Finally, the guy cums on her face in grand fashion coating her entire lower half of her face. Make a point to pick this one up. —Coleen

HOT SQUIRTS

STARRING: Cythrea, Flower Tucci, Johny Zinn, Kelly Wells, Lee Stone, Lilly Thai, Missy Monroe, Nick Jacobs, Randy Spears, Tianna Lynn, Tony Tedeschi
DIRECTED BY: Roy Karch
AVAILABLE FROM: Bad Seed
RUNNING TIME: 120 Minutes

It was only natural that Bad Seed put out a squirting movie. It seems like squirting pussies is all the rage in porn right now, much like facials were a few years ago. Bad Seed is a splinter of the venerable Adam and Eve line, and their stuff is down right filthy! Is Bad Seed a perfect fit to showcase some of the hottest names on the squirting scene, read on and find out!

What's a squirting movie without Cythrea? A damn shitty one if you ask me! Thank goodness Bad Seed included this queen of gush on this title. Not to say that the other girls cannot hold their own (they

can and in spades) it's just that Cythrea really made a name for herself with the whole spraying pussy gag.

Tiana watches Cythrea get banged from the stairs and fingerbangs herself to an explosive squirt! A guy arrives who she starts sucking off and it's back to the fucking. Tiana Lyn can give Cythrea a gushing run for her money any day of the week. Tiana really is the whole package. From her girl next door looks, to her killer curves to those oh so naughty specs she wears, Tiana sure gives me a boner! Watching her fuck is a treat for any porn fanatic.

Flower Tucci gets nailed in a bathroom with typical gushing pussy results. Kelly Wells shakes like a newborn colt after her pussy shoots girl goo all over the place. Kelly has the last scene and really brings the flick to a thunderous climax! Here's to more of this dirty little slut! —Alyssa

WHITE GUYS P.O.V. #3

STARRING: Dana Vespoli, Jessica Jammer, Madeline Marks, Marissa Marcelle, Marquetta Jewel, Trista Tanner
DIRECTED BY: Stoney Curtis
AVAILABLE FROM: Lethal Hardcore
RUNNING TIME: 153 Minutes

Aaaaahhh, Dana Vespoli's ass! It's a work of art no? If someone decided to frame her juicy booty in the Met I'd be there every day with cock in hand just gazing at her fine posterior. Until that glorious day in the fictional future I'll have to satisfy myself with video images of her ass bouncing on someone else's lap for now.

What better way to start off a POV than with two smoking hot sluts? Jessica Jammer and Trista Tanner cannot wait to serve you. Both little tramps are wearing very revealing sexy little outfits. Trista touches her pussy and so does Jessica in anticipation of some thick dick. Both pussies get the finger treatment and it moves into a wild two-way blowjob. One gal sucks the nuts while the other attempts to stick the cock all the way down her gullet. It must be said that both girls have great asses and do a delicious booty shake for the camera. The camera stays on the action as the girls sample their pussy juices from the end of a hard cock.

Jessica takes it up the ass all while eating Trista's pussy. A spraying facial gets both girls soaked with cum.

Marquetta talks a bit before rubbing her little pleasure button. A dildo comes out and disappears into her gash. Marquetta tastes her own girl goo a few times as they change positions. When Marquetta is riding the dick in a reverse cowgirl it will feel like you are there. And when she puts her head down and ass up in the air you'll feel the heat coming from her sloppy slits. A dripping cumshot hits her in the teeth and she gladly sucks up all the cum.

Madeline takes off all her clothes and showers before she lets the guy touch her. There's no anal here but Madeline is a serious fucker. So serious she gets cum shot on her not once but twice in her scene. Incredible.

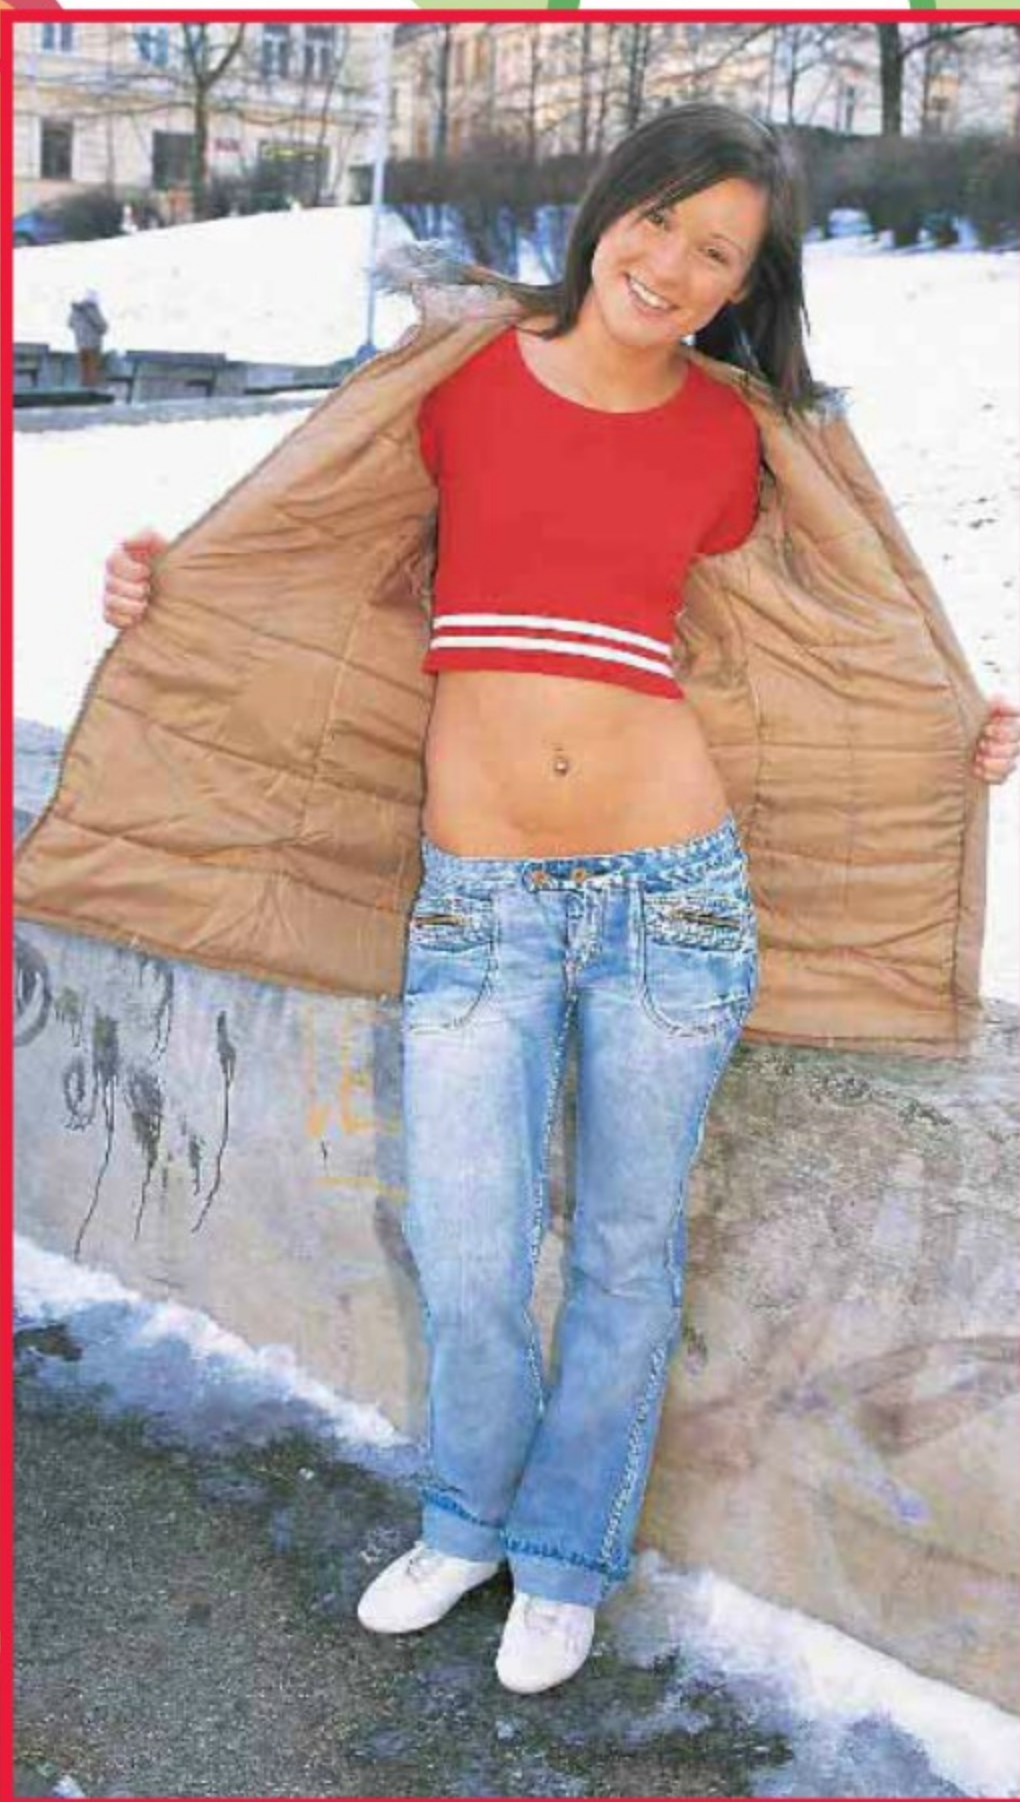

Dana Vespoli makes her triumphant return after some time off. The petite fucker is a treat to watch and does not disappoint here. She gets a nice butt bongo that leads into more adventurous action. Dana is so hot when she fingers her pussy and ass I challenge you not to pop. Dana takes it up the ass for the majority of the scene and she has not lost a beat since taking a break. Her little asshole gets stretched open wide and pounded like no tomorrow. A tasty ass-to-mouth caps off the action as Dana gets shot in the face with gobs of cum. —Kelly

Did you learn how to squirt yet?

I'll show you a thing or two!

When I found my boyfriend's copy of *Just 18*, I was so pissed! Why the hell does he need to be looking at other girls? I mean, I can do anything they can do! I told him that and he acted all snotty and told me to prove it. So I did! I sent my (naked!) pictures in and this editor called back and said they totally wanted me to be an intern. Only I didn't tell my boyfriend what I was doing, so he is going to be way surprised when he gets this issue. And, he'll know I can be just as sexy and slutty as all those other girls. Instead of jacking off to their pics, he'll be jacking off to me!

leak down to the hole of my ass.

"Watch me take you," he demanded.

Between my bent legs, I saw the glistening head jab into my pussy, just a little past where I had pushed him before. At first, I wanted to squirm out of his reach—he was stretching me too much.

"Relax. See how your pussy wants me?"

The slick pink flesh did suck at the tip of him when he touched my opening. And oh man, how it felt! He pulled out and swiped over my clit, which made my nerves twang. Then he went back for another go. It was easier this time.

"That's it," he hummed.

Each time he shoved in further, I felt myself open wider and wider. I even began to silently beg him to ram all the way into me and finally he did bury that perfect, hard length, poked straight through my barrier.

"Oh—!"

He lay still and heavy in there until I caught my breath. He was smiling over me, one of those arrogant smiles of his, while his fingers flicked my nipples into a frenzy. He leaned down to take one nipple into his mouth again, which made his cock start to slip back out ...

"No—don't—"

But then he lunged back in and I sighed with relief. I loved him moving in there. Out and in. Long smooth strokes, each one promising more than the last. At the end of each stroke he'd tilt his pelvis and nudge my clit until I wanted to scream.

"Cum again," he urged. "I want you to break apart all around me." He pushed and pulled, faster and faster. Everywhere our bodies met, they slid against each other like we were thoroughly greased up with our sweat. It felt so incredibly good! I'm sure I sounded just like my mom too, practically howling with absolutely no restraint.

After I did just what he wanted—drifted again into a million pieces—his whole demeanor changed. His pace punished me now, slamming and

grinding, that poor little bed whacking the wall something fierce. It was the greatest ride in the world! All my muscles trembled around his thickness as he plunged again and again, and when he shot into me I could actually feel the pulses of his cum, right where we were joined. He arched his back and basically roared. Like he'd just conquered the western hemisphere or something!

He rolled over onto his back and I sprawled over him, both of us totally swimming in sweat. Already I was thinking of how I was going to trick him into doing me again and again.

He must've had the same idea because he lightly slapped my butt and said, "Know what? Even if it takes all summer, I think we should do everything we can to break this bed too."

I grinned into his wonderfully sticky neck. "I sure hope it takes all summer!"

He hummed his approval.

Was I ever eager for more of this heatwave! 18

Kristine just learned that there's more than one way to bust a sweet cherry!

Kristine

I just did it for the first time with this guy I met at a party, and it was so weird. I mean, I expected to do it the regular way, you know, with the guy on top. But he wanted to do me from behind! He told me to get up on my hands and knees, and gosh, I was so embarrassed. But then he started licking my clit from upside down, and it felt so good! By the time he was done, I was totally ready to do it, so he slid it in real slow until his balls were squishing on my clit. It felt awesome. And then he fucked me and came all over my back, it was way cool!

No wonder
he wanted to do
it from behind! Look
at that fat, juicy
pussy! Yum!
